EASIER TO QUALIFY FOR THE FINAL IN 2007

The Swedish Bowling Federation has with very short notice decided to arrange a camp in Sweden for their national teams during BAI 2007

By this action the Swedish Bowling Federation is preventing about 40 top players from signing up for squads in the BAI 2007

The missing option for many Swedish top players to book squads will make it easier for other players to qualify for the final

Furthermore it is easier to qualify for the 2007 final:

Because top 3 from a Monday-Wednesday standing will qualify

Because top 3 from a Thursday standing will qualify

Catch the extraordinary opportunity to qualify for the final in one of the Majors in Europe
